HIGH TIDE BEACH AT SUNSET ON SUNDAY

All roads lead to Sunset Beach Bar and Grill in Beacon Hill this Sunday, November 2, for the biggest beach fiesta in St. Maarten each month - the High Tide Beach Party.

The party kicks off at 3:00pm with entertainment from a number of the island's top deejays. Radio personality Gary "Gee Money" Euton will heat up the beach bash as the MC.

Musical entertainment will be provided by DJ Tariq, DJ Outkast, DJ Maestro and DJ Big Boss and Party Dude Jason.

Wear your best dancing shoes and appetite for fun because there will be dance competitions, TelEm prize giveaways, promo girls from Carib and Don Julio as well as US \$2 Carib and \$3 Don Julio shots so everyone can have some imbibing fun.

The High Tide Beach Party is a party for all fun seekers - the young and the young at heart; residents and visitors. Sunset Beach Bar and Grill, which is located right on the water, is the perfect spot for the beach party. You can grab a bite, dance, take a dip and enjoy the sight of planes landing so close at the nearby Princess Juliana International Airport that you will almost feel it.

Sunset described the event as being "a blend of intense relaxation" for everyone: "Whether you are on vacation or just need a vacation from your work week, a beautiful sunset at Sunset Beach Bar and Grill and the best DJs on the island will make you feel the power of the high tide."

The High Tide Beach Party is a bash not to be missed. The last few parties attracted full houses. The Party is sponsored by TelEm, Carib and Don Julio. This Sunday's party will be the countdown to the St. Maarten Day edition.
